

Jacqueline Noviello

Learning Support and Assistant Athletic Director

With over 12 years of teaching experience, Jacqueline Noviello is a dedicated educator committed to fostering an inclusive and engaging learning environment. She holds a degree in Early Childhood Education from Winthrop University and has spent the majority of her career empowering students to reach their full potential.

In 2023, Jacqueline transitioned from the classroom to a Learning Support role, where she continues to support students' academic growth by tailoring teaching methods to meet individual needs. Passionate about understanding each student's unique learning style, Jacqueline is dedicated to enhancing their educational experiences through personalized strategies that encourage engagement and progress.

In addition to her teaching expertise, Jacqueline serves as the Assistant Athletic Director, bringing her leadership skills to the sports field and supporting students' holistic development. Her professional journey is marked by her unwavering dedication to both academic and athletic excellence, ensuring students thrive in all areas of their lives.
