

Karina Paz

Spanish & Graphic Design Instructor

With over 30 years of experience in language education, Karina Paz has taught Spanish, Portuguese, and English to students of all ages, ranging from 2 to 76 years old. A skilled Court and Medical Interpreter and book translator, she is deeply passionate about bridging communication gaps across cultures. Karina holds a degree in Graphic Design from Southwest Texas State University, blending her love for language with her creative expertise.

Karina's classroom environment is uniquely designed to encourage personal connection and faith. With a special "Jesus RED armchair" for students to connect with Jesus, she fosters an atmosphere of spiritual growth. Her "HEY JESUS" and "THANK YOU JESUS" bulletin boards invite students to share their prayer requests and testimonies, creating a space for answered prayers and encouragement.

Beyond teaching, Karina is passionate about ministry and has been actively involved in missions since 2006. Her work with students is guided by her desire to inspire unity, peace, joy, and love in all aspects of life, encouraging them to embrace their faith and personal experiences with God, Jesus, and the Holy Spirit.

Her mission as an educator is to not only impart language skills but to empower students to engage with the world around them with purpose and faith.
