

Marla Blakeney

Algebra 1 & Algebra 2 Teacher

Marla Blakeney teaches Algebra 1 and Algebra 2 at Kingdom Leadership Academy. With a teaching certification from Mississippi, she brings a passion for mathematics alongside creative and innovative teaching methods that make learning both engaging and accessible.

Approaching education through a Biblical worldview, Marla focuses on understanding and addressing the individual strengths and needs of each student. Her goal is to help students unlock their full potential and empower them with the confidence and skills necessary for success.

Incorporating her background in music, Marla brings creativity and rhythm into her lessons, fostering a dynamic and supportive classroom

environment. Her commitment to nurturing academic growth is matched by her dedication to guiding students toward the path the Lord has set before them.
