

Kecia Drake

Business Manager

Kecia Drake is the Business Manager at Kingdom Leadership Academy, where she plays a vital role in overseeing student admissions, maintaining student records, and managing the FACTS and CANVAS systems. With a keen focus on efficiency, Kecia effectively handles daily administrative tasks and provides essential technical support, contributing significantly to the school's growth and development.

Kecia holds an Associate Degree in Computer Technology Integration, and is passionate about enhancing administrative management processes. Her constant drive to improve operational efficiency allows her to play a key role in the school's success.

Guided by her deep faith in Jesus, Kecia is dedicated to supporting both students and staff, fostering a nurturing environment where all can grow and thrive in alignment with the mission of Kingdom Leadership Academy.
